Verse 2:

Funny how those friends forget you
When you tire of their games
You miss a show or a party that blows
And they've forgotten your name, yeah
And you wonder what you've become
They pull you back when you try to run.

Well anybody heading in my direction *etc.*

Verse 3:

I left the me I used to be
I wanna see this through
I left the me I used to be
If only you'd see it too
Well I wonder what you've become
You pull me back when I try to run.

Well anybody heading in my direction *etc.*
